Farm & Charm

Explore farm country and celebrate the growing season in Historic Washington County on Saturday, August 24th by attending the 15th Annual Home Grown Farm Tour. The event kicks off at the Potosi Town Square in Potosi, MO on Saturday morning. There will be a Taste of Washington County Farm & Charm Marketplace, 8am-12pm, sponsored by Naturally Meramec with information booths and local vendors from the region along-side market delights of produce, homemade jams, breads and honey.

Naturally Meramec is a movement in the Missouri Meramec Region (Crawford, Dent, Gasconade, Maries, Osage, Phelps, Pulaski and Washington Counties) that works to capture the uniqueness of the region by promoting local products and services, assisting small farms, tourism, and culinary businesses through collective marketing efforts.

We also invite our Farm Tour visitors and friends to join us for the Silent Auction and Sounds of WashCo benefit Concert at Edg-Clif Winery on Saturday Aug 24th at 6:30pm. The Auction has a long list of local products, art, and experiences. The benefit Concert will feature local entertainers playing all together for an epic annual concert called The Sounds of WashCo. The silent auction and benefit concert are open to everyone and do not require a ticket.
